## Search Notes

Dear Examiner SMITS:

Attached are the search results (from commercial databases) for your case.

Tags mark patents/articles, which might be of interest. After you review all records including tagged and untagged records, if you wish to order the complete text of any record, please submit request(s) directly to the STIC-EIC 2600 Email Box or hand carry the request to the front desk of the EIC.

Please, call if you have any questions or suggestions. I have enclosed a Search Results Feedback Form to facilitate further comments or suggestions. Please, take a few minutes to share with us your feedback.

Thanks!
